

Policy for Religious Education (Religious and Non-Religious Worldviews)

Chudleigh Church of England School

Our Vision

A place for all to **grow and flourish**

Our Christian school will provide a safe and nurturing environment in which every child's gifts are celebrated so that they can flourish and achieve. Our school family will reach outwards to our community and the wider world in exploration, love and friendship.

Mark 4:30-32

"The kingdom of God is like a mustard seed. The mustard seed is the smallest seed you plant in the ground. But when you plant this seed, it grows and becomes the largest of all garden plants. It produces large branches. Even the wild birds can make nests in it and be protected from the sun."

'Religious education in a Church school should enable every child to flourish and to live life in all its fullness. (John 10:10). It will help educate for dignity and respect encouraging all to live life well together.'

RE Statement of Entitlement from the Church of England Education Office (Feb 2019)

Policy Statement

Religion and Worldviews (RW) has a very high profile within the Chudleigh CE VC Primary School curriculum and makes a significant contribution to preparing pupils for life in modern Britain. Learning activities provide fully for the needs of all learners. Pupils will be inspired by the subject and develop a wide range of skills such as enquiry, analysis, interpretation, evaluation and reflection, to deepen their understanding of the impact of religion and beliefs on the world. Christianity is taught as a living, global and diverse faith, focused on the teachings of Jesus and the Church, alongside a range of other religious and non-religious worldviews. Religious Education encourages pupils to learn from different religions, beliefs, values and traditions while creating a safe space for them to explore their own personal worldviews and questions of meaning.

Legal Requirements

As a Voluntary Controlled (VC) School, at Chudleigh Church of England School we are required to follow the Devon and Torbay agreed syllabus drawn up by the Standing Advisory Council for Religious Education [SACRE].

Section 48 of the 2005 Education Act requires the inspection of religious education in schools which have a religious character. This is the Statutory Inspection of Anglican and Methodist Schools (SIAMS).

Aims of RE

- To enable pupils to know about and understand Christianity as a global, living faith that influences the lives of people worldwide and as the religion that has most shaped British culture and heritage

- To enable pupils to know about and understand diverse religious and non-religious worldviews, their impact on society, culture and the wider world, and to appreciate the diversity, continuity and change within them
- To engage with challenging questions of meaning and purpose
- To contribute to the development of pupils' own spiritual and philosophical convictions, exploring and enriching their personal worldviews whilst recognising that one's own worldview may adapt and change rather than remaining static

Teaching and Learning

In line with the 'Church of England RE Statement of Entitlement' [2019] at Chudleigh CE VC Primary School we aim to provide:

- A curriculum that enables pupils to acquire a rich, deep knowledge and understanding of Christian belief and practice as a global, world faith
- A curriculum that draws on the richness and diversity of religious experience worldwide
- The opportunity for pupils to deepen their understanding of the religious and non-religious worldviews as lived by believers
- A pedagogy that instils respect for different views and interpretations; and, in which real dialogue and theological enquiry takes place
- Engaging and varied learning activities that provide for the needs of all learners, supported by high quality resources
- The opportunity for pupils to develop a wide range of skills including enquiry, analysis, interpretation, evaluation and reflection through the disciplinary lenses of theology, social science and philosophy (also described as ways of knowing)
- An RE curriculum that makes a positive contribution to SMSC development and also to pupils' understanding of British values
- An assessment process which has rigour and demonstrates progression based on knowledge and understanding of core religious concepts

'Ways of Knowing'

At Chudleigh CE VC School, Religious Education provides rich and inclusive opportunities for all pupils to **grow and flourish** as they explore the world of faith and belief. Rooted in our vision of being *a place for all to achieve*, RE enables pupils to reach out with **love and friendship**, engaging deeply with others' experiences, stories, and perspectives

Key features of RE. Pupils experience opportunities to learn and express themselves through an enquiry-based style of learning by:

- Experiencing variety of teaching and learning approaches
- Engaging with teacher presentations, role play, drama and story telling
- Making their own presentations
- Posing and discussing 'big' and challenging questions
- Reading and critically analysing texts
- Interpreting information from different sources
- Researching information for themselves
- Listening to and discussing with the teacher and other pupils
- Engaging in pair and group work
- Exploring a range of media such as artefacts, pictures/art, photographs, music and drama, Information Technology
- Experiencing visits and visitors to connect with diverse faith and belief communities

- Taking part in outdoor learning
- Taking time for listening, reflection and dialogue

This approach ensures that Religious Education is a space where all pupils can **achieve, belong, and connect with the wider world**, growing in knowledge, wisdom, and compassion.

Teaching in RE challenges stereotypes, misinformation and misconceptions about race, gender and religion. Lessons seek to present religions and world views in all their richness and diversity in terms of beliefs, traditions, customs and lifestyle in a sensitive and accurate way in order to encourage a positive attitude towards diversity. Questions, views and opinions are treated with sensitivity and respect. Teaching enables pupils to gain something of personal value from their study of religious belief and practice, for example, the way that they might apply insights gained from religious stories to their own lives.

Reflecting Chudleigh CE VC Primary school's trust deed, Christianity is the majority religion studied, with at least 50% of curriculum time. Sufficient dedicated curriculum time, meeting explicitly RE objectives, is given to RE through weekly lessons for every pupil, plus additional enrichment days during the year. Our aim is to be close to 10% but no less than 5% each week in key stages 1 and 2.

This school takes note that the RE entitlement is totally separate from requirements for daily collective worship. Collective worship **is not** considered as curriculum time for RE or the teaching of RE.

Foundation/Reception: RE is a compulsory part of the basic curriculum for all Reception-age pupils and should be taught according to the 'agreed syllabus for RE'. The statutory requirement for religious education does not extend to nursery classes in maintained schools. RE sits very firmly within the areas of personal, social and emotional development and understanding the world. In line with the DfE's 2024 EYFS Profile, the school plans RE through purposeful play and a mix of adult-led and child-initiated activity which may be in the form of continuous provision.

We carefully consider and review texts, images, artefacts and resources to ensure that they accurately reflect faith and beliefs and do not reinforce unhelpful or inaccurate stereotypes. See <https://rematters.co.uk/challenging-stereotypes> for more information.

Visits and Visitors

We recognise the importance of visiting places of worship as well as meeting faith leaders and members of the community as a way of knowing and understanding the impact of belief and worldviews on the way people live. We value the links with the local and wider community, including the local parish church. We enjoy visits both off site to a range of places as well as welcoming visitors to support the teaching of RWV in line with our policy Education Off site policy which is underpinned by our vision of reaching out to the world in love and friendship.

The RE subject leader supports class teachers to organise educational visits.

The pupils will have the opportunity to make the visits during their time at Chudleigh CE VC Primary School.

Matching work to Pupils' Needs

Our whole school policy regarding inclusive practice for all learners including those with additional needs, applies to RE. Teachers carefully consider equitable access to the RE curriculum for all learners. Adaptive Practice takes place in all subjects across all classes.

Assessment

Assessment in religion and worldviews will:

- Involve identifying suitable opportunities in schemes of work
- Be directly related to the expectations of the Devon and Torbay Agreed Syllabus
- Seek to identify development in the different areas of learning in the subject and not only in the acquisition of factual knowledge
- Recognise the range of skills and attitudes which the subject seeks to develop
- Employ well defined criteria for marking and assessment which identify progress and achievement as well as effort, following the school's marking policy
- Include pupil self-assessment
- Enable effective tracking of pupil progress to identify areas for development in pupil's knowledge and understanding, as well as whole school areas for development
- Enable effective reporting to parents/carers

Transition

We ensure that transition across key stages (including in KS3) includes a simple statement of the religions, worldviews and themes that pupils have covered alongside their progress and achievement. Children's RWV Books are passed onto the next teacher to show their progression and development of their understanding.

Managing the right to withdraw from RE

At Chudleigh CE VC School, RE is taught as an engaging, inclusive and enquiry-led subject, open to all and at the centre of the curriculum, and we would hope that all parents would understand the value of this for all children. However, parents/carers do have a right by law to withdraw their children from Religious Education lessons. In this event, we will undertake responsibility for their supervision with regard to health and safety. The school follows the guidance offered by the Diocese of Exeter and we always encourage parents/carers to discuss any concerns they may have about the REW curriculum with the headteacher/head of school before making a final decision. Requests for full or partial withdrawal need to be made to the headteacher in writing.

When a request is made, children are given the opportunity to learn about their own religion and worldviews and provided with a quiet space to reflect.

This policy should be read in conjunction with:

- Positive Behaviour Policy
- Relationship Education Policy
- Social, Moral, Spiritual and Cultural (SMSC)
- Collective Worship Policy
- Spirituality Policy
- Equality Policy
- Curriculum Intent, Implementation and Impact statements
